With a 5" width, **Tempo LS** is a modern take on a **Corex™** Rigid Core waterproof luxury vinyl plank and carries Phenix's FloorEver product guarantee—meaning whether you have kids, pets or just want flooring you don't want to worry about—no worries. The flowing woodgrain of the 3-color offering emulates relaxed living with whitewashed "Seashell," sun-faded "Applewood" and the bleached accents of "Mineral." With the dehydrated textures and enhanced width/length, it will add openness and dimension to your room.

Colorways

Tempo Stone is an innovative **Corex™** Rigid Core waterproof SPC luxury vinyl tile backed with Phenix's FloorEver product guarantee. Inspired by natural stone, the distinctive detailing and painted beveled edge on each individual plank creates a more realistic stone look. Choose from the chic and classic look of the rich white and golds of Italian marble, the black and greys of edgy slate or the undertones of buff and taupe to add life to your living space.

This innovative rigid core luxury plank features **COREX™**, a rigid solid polymer core that installs over most existing subfloors. Exceptional sound absorption and an anti-bacterial finish. Its enhanced urethane coating protects against scratches from everyday wear-and-tear, including from pets. No need to worry about spills either. 100% Pet-proof and 100% Waterproof.

Corex™

Expedition is GREENGUARD Gold Certified. GREENGUARD Certified products are meet some of the world's most rigorous, third-party chemical emissions standards—helping reduce indoor air pollution and the risk of chemical exposure while aiding in the creation of healthier indoor environments. GREENGUARD Certified products are screened for more than 10,000 volatile organic compounds (VOCs).

The GREENGUARD Gold Certification standard includes health based criteria for additional chemicals and requires lower total VOC emissions levels for use in environments such as schools and healthcare facilities.
