Modern Contours features Microban® antimicrobial technology, the smarter way to keep your carpet cleaner. The ground-breaking Microban® technology is always working to keep your carpet free from microbes and their stains and odors. Carpets from Phenix are the only carpets that offer the protection of Microban® technology.

99%*

Surfaces with built-in Microban® technology remain 99%* cleaner from bacteria and odors than untreated surfaces.

24/7

Microban® technology helps protect 24/7 against the growth of bacteria, mold, and mildew that can cause stains and odors.

Microban® antimicrobial technology is safe to use and found in household items, clothing, medical equipment, military gear and more.

**In lab studies, surfaces treated with Microban technology are protected against 99% of the bacteria and odors found on unprotected surfaces.*

MICROBAN® 

Modern Contours also features the luxurious feeling and comfort underfoot of SureSoftSD™. Made from the softest P.E.T. fibers, SureSoftSD™ carpets afford you greater flexibility to reflect your unique style—make it the foundation of your home's design.
